

\$400,000 = 3,400+ kids fed in 2024!

Did you know?

It is estimated that 925 million people are chronically hungry, though there is enough food in the world for everyone to have adequate nutrition.

Feed My Starving Children (FMSC) is a Christian nonprofit hunger relief organization working with volunteers to produce MannaPack™ Rice, a scientifically formulated food that is culturally acceptable worldwide. Organizations in 70 countries around the world distribute these meals to children in greatest need. To learn more visit fmsc.org

Our Goal: 1,000,000 meals

April 10-14, at Queeny Park Recreation Center, 550 Weidman Road, 5,000 volunteers will join together to pack 1.2 million meals to send to children who are dying of starvation.

We hope you'll join with us to feed over 3,400 children a nutritious meal a day for a year.
